Zhang San

SENIOR OPERATIONS MANAGER

Senior Operations Manager / Data-Driven Growth

Operations and growth professional with 8 years of internet industry experience. Skilled at data-driven decision-making, having led a user-base growth project scaling from 100K to 5M. Strong in full user lifecycle management, campaign planning and cross-functional collaboration; led a 12-person team to achieve 60% annual GMV growth. Results-oriented, with a talent for finding high-ROI growth paths under limited resources.

1 WORK EXPERIENCE

Senior Operations Manager
Jun 2021 - Present

ABC Technology Co., Ltd.

- Led the user growth and retention system; lifted monthly active users from 1.8M to 5M through refined cohort operations, raising 6-month retention by 14 percentage points.
- Designed the membership points and benefits program, increasing paid-member penetration from 5% to 18% and driving ~¥32M in annual revenue.
- Built the A/B testing and dashboard framework, cutting campaign decision cycles from 2 weeks to 3 days and boosting team iteration efficiency by 40%.

Operations Supervisor
Mar 2018 - May 2021

XYZ Network Technology

- Ran daily operations for core categories; planned a flagship campaign that surpassed ¥15M GMV, up 65% year over year.
- Built a 5-person content team from scratch, growing owned-content traffic share from 0 to 30%.

2 KEY PROJECTS

User Growth Platform
Jan 2022 - Sep 2022

Project Lead

- Led a 4-department effort to build a growth platform with reusable campaign and reach components, cutting new-campaign launch time by 50%.
- Post-launch, automated reach covered 8M users per quarter, lowering labor cost by ~35%.

3 EDUCATION

ABC University
Sep 2014 - Jun 2018

B.A. in Marketing

- Core coursework: Marketing, Consumer Behavior, Statistics, Data Analysis.
- First-class scholarship for three consecutive years; head of the Student Union Practice Department.
